Strain Relief Strap M80-0030006

Strain Relief Strap

M80-0030006

- What is this metal staple that has been supplied with my Datamate parts?
- How do I use this part?
- How do I get more?

Strain Relief Strap

M80-0030006

- This part is supplied with all **Datamate L-Tek Horizontal Male Connectors** (Throughboard and SMT).
- Each pack of connectors will have enough straps supplied for **2 per connector**.
- The straps are **tin plated**, and can be either **soldered or glued** to the PCB. The required PCB holes are shown on the applicable connector Technical Drawing.
- The straps will provide **strain relief** when connectors are un-mated, by taking some of the stress off the connector terminations.
- You can also use this part with **Vertical L-Tek Male Connectors** (Throughboard and SMT), but you will need to order it as a separate item under part number [M80-0030006](#).

Strain Relief Strap
